

-----Call to Artists-----

Harbor Bay Plaza, on East Ocean Blvd, Sewalls Point, in collaboration with the, The Arts Council of Martin County, is proud to announce the start of "Fine Art Fridays". Starting Friday November 8th, 2013, there will be the opportunity to display your paintings or 3-D sculptures for a 1-month rotation in the "Palm Room" located just in front of Renato's Restaurant. We will be hosting an opening reception on Friday November 8th from 5-9pm in the "Palm Room" as well as through out the whole plaza. There will be music, cash bar, restaurant participation, and plenty of advertising for the event. There is hanging space for the first 12-15 painters and ample floor space for 3-D sculptures (must provide pedestals). We also have space available for outside painting or display during the opening reception. Future display opportunities will be coming up.

The Palm Room serves as the community room for Harbor Bay Plaza. While it is not open during regular business hours, it does serve as an event room for many business and charity functions. During the hours the room is locked it is kept well lit for passersby to be able to view the art.

There is a nominal \$10 fee to display.
