

PRESS RELEASE

May 5, 2011

The Arts Council, Inc.
80 E. Ocean Blvd., Stuart, FL 34994
Nancy Turrell – (772) 287-6676 X 14

Event: 2011 OPUS Spring Concert
When: May 24th at 7:00 pm
Where: Martin County High School Wanda H. Yarboro Auditorium
Who: OPUS Boosters in Mr. Corbin's honor

The 2011 OPUS Spring Concert is Tuesday, May 24th at 7:00 at the Martin County High School Wanda H. Yarboro Auditorium. The performance is free as a gift to Martin County residents for their on-going support. OPUS has met with national acclaim for decades under the leadership of choral director Ronald L. Corbin.

The Arts Foundation manages the fund created by the OPUS Boosters in Mr. Corbin's honor with 99% of the funds allocated to future scholarships. At the performance donations will be accepted by the Arts Foundation of Martin County to benefit the Ronald L. Corbin Scholarship Fund.

RLC Scholarship Recipients have included Kylie Lowe (2010), Timeelah Adamson (2009), and Kylie Harwell (2008). The scholarship recipient will be announced during the concert and will be a student who is pursuing music education in their collegiate career and has demonstrated leadership qualities. In 2010 the scholarship was expanded from a one-year \$500 scholarship to a four-year scholarship of \$500/year pending the student's continued enrollment in a music education degree program. Please join us for this year-end performance and consider supporting this scholarship fund.

The Arts Council is the designated local arts agency for Martin County. The Arts Council provides services to visual and performing artists, arts organizations, students and the public and strives to instill a passion for and participation in the arts. For more information, please call 772-287-6676 or visit www.martinarts.org. The Arts Council is sponsored in part by the Florida Department of State, Division of Cultural Affairs, the Florida Arts Council, the National Endowment for the Arts, the City of Stuart, Martin County Board of County Commissioners, and private contributions.
