## ARTS EDUCATION COMMITTEE MEETING

### MINUTES

September 25, 2019

ATTENDING: Kimberly Everman, Duncan Hurd, Faith Paul, Sheryl Levine. Staff:  
Nancy Turrell, Laura Daniel, Jennifer Hearn. Guest: Elizabeth Lenihan.

---

In place of chair Tony Anderson, Nancy Turrell called the meeting to order at 4:05 pm.

Duncan Hurd moved to approve the July 31, 2019 minutes with a second from Faith Paul. Motion carried unanimously.

**Sunshine Law Presentation:** Elizabeth Lenihan, Assistant County Attorney, presented an overview of the Sunshine Law, Public Records Law and Code of Ethics for the committee members, noting that these laws were created by the Legislature to protect the citizens access to decision making. The Sunshine law covers the items that foreseeably may come before the committee for a decision in the future. Public Records law covers documents, emails, text messages and other communication made or received by the agency. The code of ethics for advisory bodies requires that all members present must vote, unless they are not present or if they declare a conflict of interest.

**Constitution Week Art Project:** Kimberly Everman briefly reviewed outcomes of the project which recently concluded and involved 8<sup>th</sup> grade students from across the district. Committee members suggested that perhaps the project could expand in 2020 to include all 8<sup>th</sup> grade students, not just those enrolled in art, with an option for extra credit for at home creation. Faith expressed her thoughts that the subject was too narrow and focused on voting vs the constitution as a whole.

**Memory Project:** Sheryl Levine provided committee members an overview of this project that she did with students before she retired. Committee members discussed and asked that we discuss in greater depth at the next meeting.

**Stuart High School:** Nancy Turrell reported that there was no new information about the historic Stuart High School becoming a cultural center; however, she was fairly confident there was going to be a presentation about the project made at the November 5<sup>th</sup> school board workshop.

**Program Updates:** staff program updates were tabled for the next meeting.

**Announcements:** no announcement were made.

**Next Meeting:** the next meeting was announced to be November 20 at 4 PM.

The meeting adjourned at 5:05 pm.
