January 2021

Happy New Year! I am hopeful that our year brings more joy and more of the arts. We are so very excited to be starting the year off with the "America's Everglades" exhibition by Clyde Butcher. It is truly inspiring. Watch for sign up information for our virtual artist talk.

It's festival season out there, and outdoor events are carrying on. This weekend Jensen Beach's Arts & Crafts fair is on the docket and next month is time for ArtsFest Stuart. It's a 34 year tradition to bring people together in celebration of the arts and this year is no different. You'll have a choice to join in "at home" or in person!

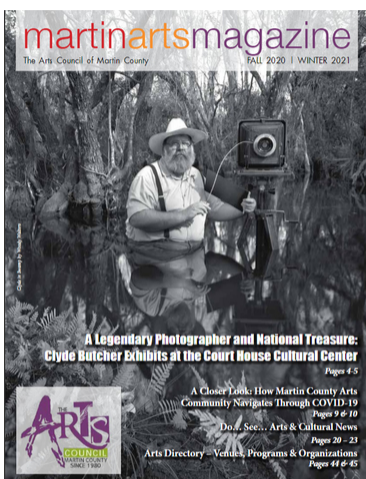

Our galleries are a safe place to visit. We continue to adhere to protocols to keep everyone safe, including wearing masks, taking temperatures and limiting the total number of people in the space at any one time. I hope to see you soon... and really, you don't want to miss this exhibit.

Looking forward to 2021 and beyond...
