

WHAT  
WILL  
YOUR  
LEGACY  
BE?

***“Our arts community is something I’ve devoted so many resources to over 20+ years and I wanted to honor that commitment and set as an example during my lifetime for my grandchild and children to follow. I hope others join Larry and me in creating a legacy for the arts that lasts.”***

Join Jeanette & Larry Mueller and other arts lovers who promised to help keep the ARTS in Martin County flourishing for the next generation by including the Arts Council or Art Foundation for Martin County in their will or trust. Create a legacy that will last beyond your lifetime.
